08 February 2019

Dear Parents/Carers,

Due to some Safeguarding concerns that have been raised, after the February half term children are to be collected from their own designated classrooms and will NOT be sent through to siblings in the lower year groups.

It has also become apparent that children are getting collected later than 3.10pm. Staff have other school commitments every evening.

Any child that has not been collected by 3.20pm will be placed into Kidzzone Club in Silver Class and you will have to pay any incurred fees directly to them.

Regards,
Mrs S Peklivanas
Office Manager
