

## Blue - Spring Newsletter

Welcome to the Spring Term - I hope that you find this a helpful overview of your child's learning this term. If there are any aspects of your child's learning that you would like to discuss, please do not hesitate to contact me.

I look forward to your continued support.

*Miss Waller*

### English

We will be planning and writing a range of text types including diary entries, reports, poetry, stories and persuasive texts. We will also be covering Year 3 grammar in detail, in line with the new curriculum expectations. Our first book of the term is called *Amazing Animals of the Sea* which is a non-fiction book. Our second book is called *The Ice Monster* by David Walliams.

**How you can help** - Reading comprehension is an important skill that we work on in our English sessions. Please encourage your child to read with you at home regularly and ask them to tell you about what they have read. Spelling and grammar is fundamental to progress in writing and we would appreciate your support in helping your children learn their weekly spellings.

### Maths

Our learning will cover measurement (length, mass and capacity), perimeter, time, 2D and 3D shapes and angles. We will be applying our knowledge to different types of questions in order to improve the children's reasoning skills. We will be spending lots of time solving word problems linked to our learning.

**How you can help** - Confidently knowing times tables can help the children in many areas of mathematics. We strongly believe that children would benefit from regular practice to ensure efficient recall of multiplication facts and their corresponding division facts.

### Topic

Our topics this term will include:

- Plants
- States of Matter
- The Water Cycle
- Sikhism

The children will also have weekly Computing, PSHE, RE, Music, Values and Spanish lessons.

### Homework

The children will receive homework once a week on a Thursday. These consist of a maths piece and a comprehension piece of work. Both pieces of homework are due back on the following Tuesday.

Spellings will be handed out on Monday and the spelling test will be carried out on the Friday of that week.

**How you can help** - Parents can be supportive by reading with their children on a regular basis.

### PE

PE will consist of a range of outdoor and indoor activities, including: Groovy Gymnastics and Skip to the Beat. It is essential that children are well equipped for this important and fun part of our curriculum. Children should have an outdoor PE kit and are encouraged to wear appropriate clothing for colder weather. Please help your child to remember their kit.
