

## Emerald & Amber Classes - Summer Newsletter

Welcome to the Summer Term - we hope that you find this a helpful overview of your child's learning this term. If there are any aspects of your child's learning that you would like to discuss please do not hesitate to contact us.

We look forward to your continued support.  
*Miss Naisby, Miss White & Mrs Parmar*

### English

Topics to be covered this term include: themed narrative writing linked to our enterprise project and the following term will be based on Ancient Greece. We will be planning and writing a range of text types including recounts, explanation and persuasive texts. We will also be covering Year 5 grammar in detail, in line with the new curriculum expectations.

**How you can help** - Reading comprehension is an important skill that we work on in our English sessions. Please encourage your child to read with you at home regularly and ask them to tell you about what they have read. Spelling and grammar is fundamental to progress in writing and we would appreciate your support in helping your children learn their weekly spellings.

### Maths

Our learning will cover work on number, the four operations (+ - x ÷), angles, measurement, statistics, geometry and time. We will be applying our knowledge to different types of questions in order to improve children's reasoning skills. Children will be developing their basic maths skills through the Assertive Mentoring initiative.

**How you can help** - Confidently knowing times tables can help the children in many areas of mathematics. We strongly believe that children would benefit from regular practice to ensure efficient recall of multiplication facts and their corresponding division facts.

### Topic

Our topics this term will include:

- Animals including Humans
- Enterprise
- Ancient Greece
- Scientists and Inventors

The children will also have weekly Computing, PSHE, RE, Music, Values and Spanish lessons.

### Homework

The children will receive homework once a week on Fridays unless it is a half-term project. These tasks will be English and Maths or topic based.

Spellings will be handed out on Monday with the spelling test carried out on the Friday.  
**How you can help** - Parents can be supportive by reading with their children on a regular basis.

### PE

PE will consist of a range of outdoor sports, including: Football, Hockey, Tennis & Athletics. It is essential that children are well equipped for this important and fun part of our curriculum. Children should have an outdoor PE kit. Children are encouraged to wear appropriate clothing for the summer heat. Please help your child to remember their kit.
