

## Emerald Class - Spring Newsletter 2020

Welcome to the Spring Term - we hope that you find this a helpful overview of your child's learning this term. If there are any aspects of your child's learning that you would like to discuss, please do not hesitate to contact us.

We look forward to your continued support.  
*Mrs Henshall, Mrs Tough and Mrs Douglas*

### English

Topics to be covered this term include themed narrative writing linked to our history topics of Ancient Egypt and Leisure and Entertainment. During Spring 1, we will be reading *Secrets of a Sun King* by Emma Carroll, which links to Ancient Egypt, and, for Spring 2, we will be reading *War Horse* by Michael Morpurgo. We will be planning and writing a range of text types including; recounts, explanations and persuasive texts. We will also be covering Year 5 & 6 grammar in detail, in line with the new curriculum expectations.

**How you can help** - Reading comprehension is an important skill that we work on in our English sessions. Please encourage your child to read with you at home regularly and ask them to tell you about what they have read. Spelling and grammar are fundamental to progress in writing and we would appreciate your support in helping your children learn their weekly spellings.

### Maths

Our learning will cover work on number, application of the four operations (+ - x ÷), percentages, measurement, statistics and geometry. We will be applying our knowledge to different types of questions in order to improve the children's reasoning skills. We will be continuing our weekly Arithmetic lessons as well as our Fluent in Five starters.

**How you can help** - Confidently knowing times tables can help the children in many areas of mathematics. We strongly believe that children would benefit from regular practice to ensure efficient recall of multiplication facts and their corresponding division facts.

### Topic and Science

Our topics this term will include:

- Ancient Egypt
- Leisure and Entertainment
- Animals including Humans
- Electricity

The children will also have weekly Computing, PSHE, RE, Values and Spanish lessons.

### Homework

The children will receive homework once a week on a Friday. The homework will be set from the *CGP* books. Children will be expected to complete a maths piece weekly as well as a reading piece. Spellings will also be handed out on Friday, with the spelling test carried out the following Friday.

**How you can help** - Parents can be supportive by reading with their children on a regular basis and helping them learn and apply their spellings.

### PE

PE will consist of a range of sports both indoors and outdoors, including: Gymnastics, Tag Rugby, Step to the Beat and Outdoor Adventure Activities. It is essential that children are well equipped for this important and fun part of our curriculum. Children should have an outdoor and indoor PE kit. For outdoor PE activities, children are encouraged to bring warm clothing (e.g. jogging/tracksuit trousers). Please help your child to remember their kit for their lessons which are on a Monday and Thursday.
