Supporting families are run by Central Bedfordshire Council offering a wide range of support

- \* **Have you or a family member been in trouble with the police?**
- \* **Are you affected by Domestic Violence or Abuse?**
- \* **Do you have mental or physical health problems (including addictions)?**
- \* **Struggling with school attendance?**
- \* **Are you trying to get back into work / have an unmanageable debt problem / at risk of eviction?**
- \* **Are you involved with Social Care?**

If you answered YES to two (or more) questions we may be able to help.

Eligible families will receive targeted support from a dedicated *Family Partner* who will work alongside the **whole** family to bring about the positive changes that are important to them to rebuild.

Family Partners provide a practical hands-on support through a persistent, assertive and challenging approach working towards a single outcome plan for the whole family.
