

FIRE SERVICE VISIT

YEAR TWO

Year 2 were visited by Blue Watch from Dunstable Fire Station. We learned all about the different parts of a fire fighters clothing and equipment.

We learned some phrases to help keep us safe.

“Matches, lighters, never touch! They can hurt you very much!”

“Stop, Drop and Roll.”

“Get out, stay out, call the fire brigade out.”

We talked about different ways to stay safe in our houses and when we are out and about. We found out about all the different ways the fire service can help us, not just fires and cats up trees!

We talked about smoke alarms and where they are in our houses.

We passed around this cube so we know what a fire smells like... it was not a very nice smell.

Scarlett answered questions correctly and was chosen by one of the fire fighters to dress up in a mini fire fighter suit.
