

Firefighters visit Year 2

On Wednesday 18th November the firemen from Dunstable Fire Station came to visit Year 2. We had a fantastic morning and learned lots of things.

We had fun, but had to remember lots of important information to help us to keep safe.

We watched a safety film and learned a rhyme to help us remember not to touch matches.

‘Matches, lighters, never touch. They can hurt you very much’.

We learned how to STOP, DROP and ROLL if our clothes caught fire.

Charlie had a competition with one of the firemen and he won!

Piper-Rae was chosen to dress up in the protective clothing. We found out what each piece of clothing did. We also looked at the radio, torch and breathing apparatus.

Then we went out to look at the fire engine. We found out about all the different equipment.

Then we were allowed to sit in the fire engine.... AND the most exciting thing was being able to squirt the fire hose!

What a fantastic morning! Now we are all off to test our smoke alarms.
