

Week Beginning 6th March 2017
Our theme is: Spring and Growth
Our Whole School Value is loving and Caring
This week I am learning

Literacy

Phonics: letter names:

s, a, t, p, i, n, d, m, g, o, c, k, e, u, r, h, b, f, l, j, v,

Try this activity at home:-

I went shopping: Teach the game 'I went shopping' to your grown up. Use the letter names we have learned so far.

High frequency words:

- Reading: have, like, some, come, just
- Spelling: sun, bun, fun, mug, bug, hug

Mathematics focus: To use everyday language to talk about size, length and weight and to begin to solve problems.

Try this activity at home:

Find some objects to measure. Find a non-standard unit to measure with (this is not a ruler, try lego bricks or cotton buds....)

Investigate and talk to your grown ups about what you find out: which is longest/shortest? How long is it? How much longer is one object than another?

Grown-ups: your child's use and development of mathematical language and their reasoning is important for this area of learning.)

Tell us something you have learned this week.
