

The Houghton Regis Primary Choir

The Houghton Regis Primary Choir is made-up of pupils across the school, from Years 1–6. We meet after school every Wednesday to practise and perform songs, covering all eras and genres. After the success of our Christmas performance, we are currently rehearsing for an upcoming event being held at the Wembley SSE Arena in March, called Voice in a Million. We will join around 5,000 other schoolchildren across the country and unite in song, for a performance which I'm sure we'll never forget. The choir is led by Miss White and Miss Brett and new members are always welcome.
