

Do you ever feel that your children know more about technology than you do?

..... You are not alone!

Come along to our E-Safety information session to meet 'Community PCSO's from Central Bedfordshire they will offer advice and support on how to help keep your children safe on line your children will be having internet safety sessions during this week

When: Tuesday 26th February 19

Where: Houghton Regis Primary School

Time: 9:00am start in the Hall

Bedfordshire Police work to promote the safe and responsible use of technology among children and young people alongside encouraging families to explore online technologies together. The event will look at practical steps that you can put in place to protect your children online and will cover issues that children and young people face online right from early years to teenagers and view the latest resources used in school.

ALL WELCOME!

Tea, Coffee, Biscuits will be available

NO CRECHE!
