Dear Parents and Carers

Coronation

It has been wonderful hearing stories from children about the parties and other celebrations they have been involved with to celebrate the Coronation of His Majesty King Charles III and Her Majesty Queen Camilla.

The spectacle of the coronation was truly spectacular and I am pleased that our children have been involved in this national celebration of significant historical importance both at school and with their own families at home. Our school will continue to celebrate our 'royal link' by naming some classes after members of the Royal Family. Children in these classes will continue with some additional study around their named royal. Queen Elizabeth II and King Charles III classes have been enjoying learning about their special royal. Further groups of children will be involved with this next year.

We will also continue to name the attendance awards after our youngest royals.

Assessments

Thank you to parents and carers for ensuring that children are attending school every day during this period of intense assessments. Our Year 6 and Year 2 children have been working hard to ensure they are well prepared to take assessment papers. Children in other classes will be completing a range of tests, quizzes and other assessments to assist teachers with their report writing and assessment judgements directly after half term. Please ensure you do not remove your children from school without permission as this will cause a great deal of disruption.

I would like to take this opportunity to wish everyone a wonderful weekend.

Kind regards

James Edwards

Headteacher
