Dear Parents and Carers

It continues to be another busy term. Year 6 and Year 2 have completed their SATS assessments and every child in these year groups will be given an ice-cream for all their hard work and dedication. In addition, pupils with high attendance (98.5% and above) will also be given an ice cream. Mr Simmonds is organising a special visitor to prepare ice-creams for the children in the next few weeks.

Uniform

I would like to ask that children wear the correct school uniform at all times. For health and safety reasons hair below the shoulder must be tied back, including on non-uniform days and earrings must be small studs.

I would also like to remind all pupils that socks in the summer should be white or grey for girls and black or grey for boys. There are a number of children wearing pink and other bright colours at the moment that are not part of the school uniform.

Furthermore please ensure that summer dresses are of the traditional green gingham style. Dresses with white top sections, stripes and all variety of playsuits are not, and never have been, part of the school uniform. Finally please ensure children continue to wear school shoes rather than trainers or sandals.

Staff will be keeping a close eye on school uniform next week and may speak to parents if their children are not wearing correct school uniform. Further details are available on our school website.

Parking

Please can I remind parents and carers to respect our neighbours when dropping off and picking up from school. I have received several complaints regarding cars parked inconsiderately. Please can I also make it clear that at no time should parents be blocking the main entrance of the school to drop pupils off.

I would like to take this opportunity to wish everyone a wonderful weekend.

Kind regards

James Edwards

Headteacher
