**Houghton Regis Primary School Newsletter**  
**Friday 4th April 2025**

**Acting Headteacher: Mrs R Parmar**  
**Chair of Governors: Mr T Muldownie**  
**Headteacher: Mr J Edwards**

Dear Parents, Carers and Children,

As we have reached the end of a very busy term, I would like to celebrate the hard work of our children and their ongoing achievements. They have engaged in a range of activities this term including assemblies, productions, workshops during cultural week and contributions to various charities. These opportunities have given the children a chance to excel and progress in various skills. As always, our wonderful staff have worked tirelessly to ensure the children have engaged in a rich and broad curriculum.

I was extremely impressed by the years 3 and 4 Easter performance this week. The children excelled in all areas and their performances were outstanding. Their singing was impeccable and their ability to learn, perform and execute their lines was remarkable. I am extremely proud of the children and I look forward to watching them excel even further. Thank you to all staff involved for their efforts and contributions to this wonderful performance and a huge thank you to parents and carers for your continued support.

Thank you to the PTA for organising the Easter raffle this week. Congratulations to the following children for winning the following prizes:

**Early Years & Key Stage 1:**

1st prize (sleepover tepee/tent rental) - Riley T  
2nd prize (Easter egg) - Grace D  
3rd prize (Easter egg) - Joshua P

**Key Stage 2:**

1st prize (sleepover tepee/tent rental)—Mia C-T  
2nd prize (Easter egg) —Fleano M  
3rd prize (Easter egg) —Annabelle M

In our assembly today, we handed out bronze and silver attendance awards for children who have achieved 100% attendance for the autumn and spring terms. We presented certificates to almost 100 children—thank you for supporting us with improving our school attendance.

We have had a positive response to our clubs starting in the summer term. Some clubs are not running as there was not enough uptake, however, we have allocated your child with at least one of their preferences. Your child will have received a letter today if they have been allocated a place in a club. Clubs will commence during the week of Monday 28th April.

As we approach the summer term, children are welcome to wear school uniform as per the 'summer' school uniform list on our school website.

From 1st May, the price of school meals will be increasing—a separate letter with the relevant information will be sent home. If you have any queries around this, please do not hesitate to contact the school office.

As the two week break approaches, it is important for us all to share the meaning of this season to different cultures within our community. For some, the festival of Eid was celebrated earlier this week following a month of Ramadan and fasting. Our Sikh community will be preparing for the festival of Vaisakhi. Easter Sunday is widely celebrated and marks a significant event in history for the Christian community. Members of the Hindu community will be celebrating Rama Navami and Hanuman Jayanti. Enjoy making wonderful memories with your loved ones whilst celebrating these significant events.

A huge thank you to the continued support we receive from all the members of our community, particularly our wonderful and hard-working children, staff, parents, PTA and governors. We are grateful for your contributions and your efforts are much appreciated.

Wishing you all a great Easter break.

We have a training day on Tuesday 22nd April so school will be closed for children.

I look forward to welcoming you all back on Wednesday 23rd April.

## EARLY YEARS

### Nursery

This week, we have been busy learning all about The Easter Story. We have enjoyed making wonderful crafts and have learnt why Easter represents new life. The children have enjoyed sharing their own experiences of Easter and are looking forward to eating their chocolate eggs!

### Reception

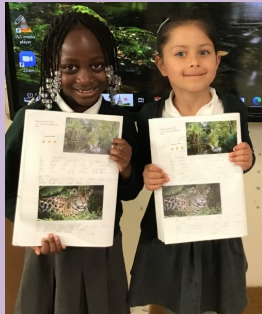

This week, we have enjoyed learning about the story Titch. By looking at the characters and setting of the story. In maths, we have been learning doubles. We became rappers and sang the song 'Doubles, Doubles, I can add doubles.' [https://www.youtube.com/watch?v=Ik\\_OAgzD-8&ab\\_channel=HarryKindergartenMusic](https://www.youtube.com/watch?v=Ik_OAgzD-8&ab_channel=HarryKindergartenMusic). By using dominoes and numicon, we found doubles to calculate the total. We have learnt that Christians celebrate Easter with different traditions such as Easter egg hunts, giving Easter eggs and cards to friends and family.

## KEY STAGE 1

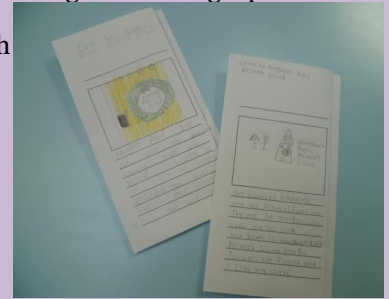

### Year 1

Year 1 have been rather busy this week. They took a flight to the Amazon rainforest to investigate what plant and animal species they would discover. They used this information to write some extraordinary sentences. They remembered their punctuation and ensured that there were plenty of adventurous vocabulary choices.

### Year 2

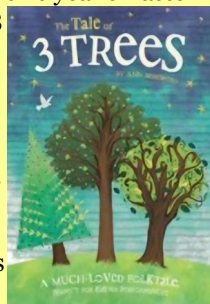

This week, we have been planning and writing a persuasive advert for our school. We included great features such as rhetorical questions, exclamations and statements to encourage new children to join our school. We even turned these into actual leaflets!

## LOWER KEY STAGE 2

### Year 3

It has been a busy week, as it was time for this year's Easter production, The Three Little Trees. Year 3 were playing a supporting role, and sounded positively angelic as they sang alongside the year 4 children. They have enjoyed learning a more gentle version of the Easter story and one that we know they won't forget! We received some wonderful reviews and who knew we had so many budding singers. Next year, they will have the starring roles so watch this space...

### Year 4

We have had a very busy week. We wrote persuasive leaflets about visiting the Alps, which completed our geography unit about the Alpine region. We performed our Easter production to our parents and carers. We are so proud of all the children who learnt their lines and sang beautifully. It takes great courage to narrate and sing a solo in front of an audience - everyone did a brilliant job!

## UPPER KEY STAGE 2

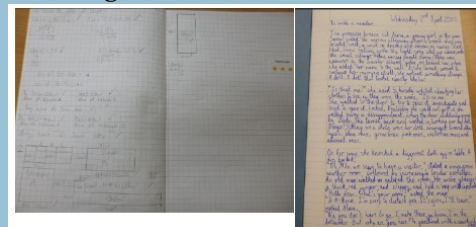

### Year 5

We have had an exciting week learning about igloos in our DT lesson. This has been linked to our geography topic 'Frozen Kingdoms'. The children then designed, made and evaluated an igloo style shelter using milk cartons and card. The objective was to make a small model igloo that could keep strong in a cold climate and be sturdy enough to support an entrance/doorway. The children really enjoyed being creative and using their design skills. We also wrote poems in English lessons where the children used features such as metaphors, rhyme and onomatopoeia.

### Year 6

In maths, we have been finding the area and perimeter of shapes. We have learnt that compound shapes are shapes that are made from two or more shapes put together. In English, we wrote a narrative which included dialogue. In science, we learnt about refraction and whether different objects would refract or reflect light.

## **What Is a PTA?**

PTA stands for Parent Teacher Association. Volunteer organisations like this are usually composed of parents, class reps, teachers and other school staff who come together for regular meetings to discuss the school year and upcoming events.

PTAs bridge the gap between parents, teachers and pupils, helping to build productive relationships and further ensure the school is a place where pupils can thrive.

PTAs are now established in most schools and parents enjoy working closely with teachers, creating bonds with other parents, fundraising for events, working with the local community and learning more about the curriculum.

## **What Do PTAs Do?**

These groups may aim to accomplish a range of things, all usually geared at making the school a better place to learn.

Members of a PTA are likely to work together to raise money with a variety of creative events throughout the school year, encouraging the whole community to get involved.

## **PTA Events at Houghton Regis Primary School**

In previous years, the Houghton Regis PTA has organised summer fetes, Santa's Christmas Grotto, discos and a sponsored walk to name a few.

## **Why are PTAs Important?**

PTAs give parents more of a voice and get them feeling involved. Parents can provide the school community with a fresh perspective and highlight any concerns in a supportive environment.

The organisations are also instrumental in providing additional opportunities for pupils by strengthening the overall school experience.

## **Why Should You Join a PTA?**

Being a part of your child's school PTA has several benefits:

- Scheduled meetings allow parents to keep up to date with upcoming academic events and socials.
- It creates stronger relationships with staff members, where they can easily communicate expectations and standards of learning.
- It allows parents to establish relationships and network with other parents.
- Parents can support the school in creating the best environment possible for their child and other pupils, helping make a real difference.
- PTA members can learn new skills, from fundraising and problem-solving to communication and creativity.
- As a member of the PTA, you'll be able to see measurable results and appreciate the impact of all your efforts!

Please email the Chair, Mrs R Reid-Stavrinos at: [ptahrps@gmail.com](mailto:ptahrps@gmail.com) if you would like to find out more information.

# EVERY SCHOOL DAY MATTERS

## Penalty Notice Fines for absence from school are changing

From 19<sup>th</sup> August 2024 Penalty Notice fines  
increase to £160 for each parent, for each child.

You can be fined if your child has a total of 5 days of unauthorised absences in 10 school weeks, for things like:

- being late after the register has closed
- truancy
- taking a holiday without permission from the school
- or if a headteacher isn't satisfied for the reason for missing school

Over a rolling 3-year period the sanctions are:

- 1st offence – £160 reduced to £80 if paid within 21 days
- 2nd offence – £160
- 3rd offence – Court hearing and up to £2,500 fine, or up to 3 months in prison and a criminal record
