Dear Parents and Carers

Walton-on-the-Naze trip, Wednesday 28 June 2023

Last week Gold Class and KS1 pupils went on a trip to Walton-on-the-Naze. The children had a lovely day on the beach which supported current work that classes have been studying about seashore habitats and the geography of our coastlines. The children all got to play in the sand, build sandcastles and paddle in the sea. Some of the children dug their own rock pools which they filled with shells, pebbles and seaweed whilst others tried to bury their friends in the sand. They all enjoyed a traditional seaside ice cream before stopping at McDonalds on the way home for dinner.

School Trips for next year

We are hoping to share the plan for next year's school trips before the end of this term. With the current financial situation in schools and the cost of living crisis going on in the UK at the moment, we are trying hard to balance the need to keep trip costs down with the need to make communication during trips and transport arrangements as straight forward as possible. We thank parents for their flexibility around school trips this year. A big thank you to the large number of parents who have driven children to Leagrave station and then collected them from Leagrave at the end of the trip. School trips that have used the train rather than a coach have kept trip costs down over-all.

I would like to take this opportunity to wish everyone a wonderful weekend.

Kind regards

James Edwards
