Headteacher: Mrs R Parmar
Chair of Governors: Mr T Muldownie

Dear Parents, Carers & Children,

We have had a fantastic week participating in all things reading! Thank you to Mrs Baldwin for organising this week and making great memories and experiences for all our children. They engaged in many activities that allowed them to share their passion and celebrate their love for reading. I was pleased to see how well the children engaged in the peer reading activity. Children in the older years of the school acted as positive role models to the younger children and I was extremely proud of their maturity.

On Thursday, staff and children came to school with the most impressive outfits, ranging from superheroes and princesses to animals and villains, as well as some much loved classic book characters. A huge thank you to parents and carers for your creativity and imagination with these costumes.

In today's assembly, Mrs Baldwin drew names from our 'Get Caught Reading' box. Throughout the week, there were many tokens issued to children who were seen reading.

Congratulations to the following winners:

Early Years: Hope F

Key Stage 1: Caoimhe-Rose O'H

Key Stage 2: Matthias O

Well done to Teal class for their wonderful assembly this week. They shared a range of work and it was lovely to see their progress since the start of the year. Thank you to Mrs Zarrouq for supporting the children in showing confidence and displaying pride in their work. Next Thursday, we look forward to welcoming parents to Orange's class assembly at 2:45pm in the hall.

Yesterday, all children were sent home with a charity bag for Age UK. Please support this charity by sending in any items, such as: clothes (adults & children), bedding, curtains, toys, towels, books, footwear or any other items that can be donated. Filled bags will need to be returned to school by Wednesday 11th March. Your support is greatly appreciated for this worthy cause.

Congratulations to the Leighton Buzzard under 8s hockey team. They played a tournament last weekend and won. Well done to Leo W in Orange class for a successful win in his first hockey tournament!

Teachers have set up appointment times on Class Dojo for our Parent Consultation Evenings taking place on Monday 23rd March 3:45-6:15pm and on Thursday 26th March 4:00-7:00pm. To select an appointment, please go to your child's class and choose a slot—you will be sent a confirmation of the day and time. If you are having trouble accessing this or require an alternative appointment on another day, please speak to your child's class teacher.

Wishing you all a wonderful weekend. I look forward to seeing you on Monday morning.

Friends of HRPS

What is a PTA?

PTA stands for Parent Teacher Association. Volunteer organisations like this are usually composed of parents, class reps, teachers and other school staff who come together for regular meetings to discuss the school year and upcoming events.

PTAs bridge the gap between parents, teachers and pupils, helping to build productive relationships and further ensure the school is a place where pupils can thrive.

PTAs are now established in most schools and parents enjoy working closely with teachers, creating bonds with other parents, fundraising for events, working with the local community and learning more about the curriculum.

At our school, we are known as Friends of HRPS.

What do we do?

Friends of HRPS aim to accomplish a range of things, all usually geared at making the school a better place to learn. We work together to raise money with a variety of creative events throughout the school year, encouraging the whole community to get involved.

Friends of HRPS events

In previous years, we have organised summer fetes, Santa's Christmas Grotto, discos and a sponsored walk to name a few.

Why is our role so important?

We give parents more of a voice and get them feeling involved. Parents can provide the school community with a fresh perspective and highlight any concerns in a supportive environment.

The organisations are also instrumental in providing additional opportunities for pupils by strengthening the overall school experience.

Why should you join Friends of HRPS?

Being a part of your child's school community has several benefits:

- Scheduled meetings allow parents to keep up to date with upcoming academic events and socials.
- It creates stronger relationships with staff members, where they can easily communicate expectations and standards of learning.
 - It allows parents to establish relationships and network with other parents.
- Parents can support the school in creating the best environment possible for their child and other pupils, helping make a real difference.
 - Friends of HRPS members can learn new skills, from fundraising and problem-solving to communication and creativity.
- As a member of Friends of HRPS, you'll be able to see measurable results and appreciate the impact of all your efforts!

Please email the Chair, Mrs R Reid-Stavriniades at: ptahrps@gmail.com if you would like to find out more information.

EVERY SCHOOL DAY MATTERS

Penalty Notice Fines for absence from school are changing

From 19th August 2024 Penalty Notice fines increase to £160 for each parent, for each child.

You can be fined if your child has a total of 5 days of unauthorised absences in 10 school weeks, for things like:

- being late after the register has closed
- truancy
- taking a holiday without permission from the school
- or if a headteacher isn't satisfied for the reason for missing school

Over a rolling 3-year period the sanctions are:

- 1st offence – £160 reduced to £80 if paid within 21 days
- 2nd offence – £160
- 3rd offence – Court hearing and up to £2,500 fine, or up to 3 months in prison and a criminal record

What Parents & Educators Need to Know about ROBLOX

WHAT ARE THE RISKS?

Roblox is one of the most popular video games among children. In 2020, the game's developers claimed that more than half of the USA's children had played it. As a 'sandbox' title, the game lets players create their own gaming experiences with Roblox Studio to build custom levels, which can then be shared online.

ONLINE PLAY RISKS

Because Roblox connects random players across the world, it can put younger players into an environment with anonymous users who could use the platform for nefarious reasons. For example, some role-play games are used for online dates and mature role play, which could expose youngsters to inappropriate messages in the public chat box.

MATURE CONTENT

Content is difficult to moderate throughout Roblox, due to the number of games available. This is particularly notable on smaller games and experiences, but in summary, some of the games and experiences offered on the platform contain age-inappropriate content that could easily be seen by young players.

IN-GAME SPENDING

The majority of games within Roblox have extensive monetisation options, usually through season passes or microtransactions. Purchases can range in value from a few pennies up to much larger sums of money. While some games offer a lot of content via purchases, others can offer very little for real world money, causing younger players to end up out of pocket.

ANONYMOUS PLAYERS

The anonymity of users can leave players vulnerable to bullying, harassment, and predatory behaviour. Without the right parental controls or monitoring, users can connect with each other via personal messages or friend requests, and it is very difficult to know who's behind a username in this vast online world.

RISK OF ADDICTION

Roblox games can feature rewarding or satisfying mechanics that keep players coming back – or persuade them to stay logged-in for much longer. Like most games, they focus on interactivity, with constant rewards via in-game unlocks and currencies, which can sometimes lead to an addictive need to remain online for long periods of time.

SCAMS

Many of the games on Roblox feature collectible items, pets, or characters. These objects, while digital, are worth a lot of real money on certain online markets. Scammers will attempt to trade with younger users in the hopes of getting rare items that can be sold for real money, manipulating the child into handing them over, usually via misleading information.

Advice for Parents & Educators

MONITOR THE CONTENT

While Roblox does implement plenty of moderation tools and parental controls, it's up to parents and guardians to monitor the types of games a child or impressionable player is experiencing. If a youngster wants to play Roblox, be sure to check out which specific games they want to play within it, and get a good idea of their content.

TAKE ADVANTAGE OF TOOLS

Use the parental controls within the game itself and teach youngsters how to report and block other players. Knowing the powers within their reach will make Roblox a safer, happier experience. You can set age ranges for who's allowed to contact you, close public chat boxes, block spending, and even make your Roblox profile completely private. All these options are helpful in cutting off bad actors from engaging with children.

PLAY TOGETHER

Consider playing Roblox with the children in your care. There are few more effective ways to see how monetisation works, gauge whether the game could lead to addictive behaviours, or even witness how interaction between players works, than sitting down and trying the game for yourself. This should help you figure out whether it's suitable for particular children.

TEACH ONLINE BEHAVIOURS

Have an open conversation about the risks of online play and how to spend money wisely. By being honest and giving tips on how a younger user can protect themselves, you can empower them to not only take care of themselves, but others too. Any user can be reported to Roblox moderators by other players for behaving inappropriately. With this knowledge, younger players can be aware of what to look for and help prevent it.
