

Growing minds, shaping futures and inspiring lifelong learning

Houghton Regis Primary School Newsletter

Friday 9th October 2026

Headteacher: Mrs R Parmar
Chair of Governors: Mrs D Pargeter

Dear Parents, Carers & Children,

This week has seen the launch of many exciting events, such as our: annual book fair, MacMillan Coffee Afternoon; the start of Black History Month and the wearing of yellow to support World Mental Health Day.

Thank you for showing your support today on 'Hello Yellow Day' and raising awareness for the YoungMinds charity. It was lovely to see children express themselves in various yellow clothing items and accessories. The children were able to share how they could seek support in school or out of school if they felt they needed to talk or share their worries.

Our Scholastic book fair has been popular and there is a vast selection of books. If you have not had the chance to visit the fair, you have until Tuesday to purchase any books. We look forward to seeing you there.

The children in Nursery, Reception and Years 1 and 2 had an amazing visit from the Giant Journey Workshop earlier this week. The children enjoyed an incredible experience of being archaeologists for the day, using paintbrushes to carefully uncover dinosaur fossils. They had a fantastic time bringing historical and scientific learning to life!

Mrs White delivered an inspiring assembly on World Space Week. The children learnt how astronauts train and work in space. They discovered what life is like at the International Space Station Laboratory and what Astronauts eat when in space. Mrs White showed them some space food that astronauts would need to rehydrate (using water) before they could eat it. Did you know astronauts sleep standing up in sleeping bags strapped to a wall? The children were also fascinated by how astronauts use the toilet facilities in space. Thank you to Mrs White and our Science Ambassadors - they showed great skills to be future astronauts!

A big thank you to everyone who attended our Macmillan Coffee Afternoon and made donations. We missed those who were unable to join us. We had a lovely afternoon with some great conversations, fun games and plenty of smiles. Parents particularly enjoyed taking part in the Macmillan Quiz, with some fantastic prizes won! We welcomed Ann Graves from SNAP Parent Carer Forum, who shared useful information and support available to parents and carers.

Thank you to our families who attended our parent workshop for Lion Class. They had a great time engaging in a very creative activity using foil and string! We look forward to welcoming parents in Jaguar Class to their workshop next Thursday at 2:30pm. This will be held in the classroom due to the Halloween disco taking place in the hall.

A reminder that applications for secondary schools need to be submitted to the Local Authority by 31st October. If you require any support with completing an application, please do not hesitate to speak to a member of staff in the office.

If your child will be starting school (Reception) in September 2027, applications for a school place need to be submitted by 15th January 2027. We are hosting school tours for parents who are interested in applying for a place at our school. Dates and timings can be found on our poster overleaf.

Wishing you a restful weekend—I look forward to seeing you all next week.

Kidz Zone Before & After School Club Information

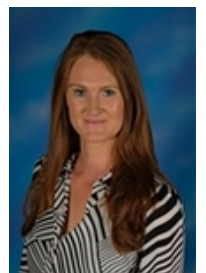

If you would like further information on Kidz Zone, please visit their website or book on www.kidzzzoneclub.com

Walk your wheels

A reminder that children need to 'walk their wheels' on the school premises before school and at the end of the day. Staff patrolling the playground will be reminding children of these rules in order to keep everyone safe by preventing any accidents from happening.

Staff Values Champion of the Week

Congratulations to Mrs Hill for showing the value of **Excellence** by supporting everyone with a smile on her face and being the best role model to all of the children.
