

Spring 1 – Three

7 Areas of Learning:

Personal, Social & Emotional Development (PSED) – Our new topic is ‘Dreams and Goals’. We will think about the jobs that we would like to do when we are older. We will continue to practise sharing with our friends and waiting our turn.

Communication & Language – We will go on a listening walk to listen out for human noises and animal noises.

Physical Development – We will be learning to dress ourselves before and after our PE lessons. We will perform dances using simple movement patterns. We will practise our balancing and coordination skills.

Literacy - We will explore our ‘story sacks’ which include objects and characters from the stories we read. We will carefully share the objects with our friends and learn about each story in detail.

Maths – During our Maths lessons we will understand and explore the numbers 1, 2 and 3. We will work on counting 3 objects and finding shapes that have 1 side or 3 sides.

Understanding the World – We will find out how birds make their nests, talk about where we will find an owl’s nest and discuss what owls might eat.

Expressive Arts & Design – We will practise singing counting songs and performing them to our friends. We will create pieces of artwork based on the animals from the stories that we will share

Nursery

Silver Class: Mrs White, Mrs Gammon & Mr O’Grady

Charles Class: Mrs Camfield

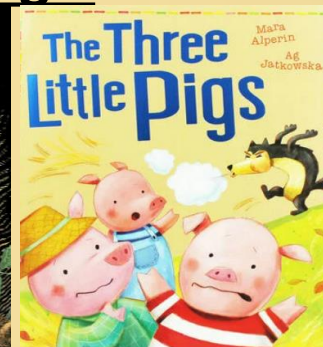

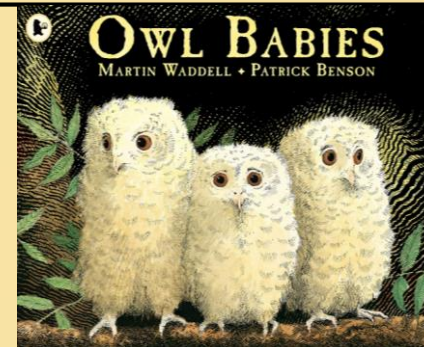

Platinum Jubilee Class: Mrs McBrearty

Early Years Leader: Miss Waller

Things you could do at home:

- Collect three objects that are the same and then collect three objects that are different
- Talk about nocturnal animals
- Look out for nests when walking in parks, forests or near tall trees

We will be reading...
