

Spring 2 – Ee-igh-ee-igh-oh

7 Areas of Learning:

Personal, Social & Emotional Development (PSED) – Our new topic is ‘Healthy Me’ and during our PSED sessions we will talk about making healthy choices and why we should stay active.

Communication & Language – We will look at preposition words and use them in our everyday play. We will ask ‘why’ questions and use the conjunction ‘because’ when answering these questions.

Physical Development – We will master basic movements including running, jumping, throwing and catching.

Literacy - We will read lots of different animal stories. We will discuss what happens in each story, talking about the endings of the stories and creating our own story maps.

Maths – During our Maths lessons we will understand and explore the numbers 4, 5 and 6. We will represent numbers on a ‘10 frame’, order numbers on a number line and find specific amounts of objects in the environment.

Understanding the World – We will be talking about the importance of the animals in the world. For example, honey bees and their role in the environment. We will explore celebrations such as Easter, Shrove Tuesday and Ramadan.

Expressive Arts & Design – We will create lots of animal inspired artwork based on the animals from our focus stories. We will use a range of resources and tools to create our artwork and focus on improving our 3D modelling skills.

Nursery

Silver Class: Mrs White, Mrs Bura, Mrs McBrearty, Mr O’Grady

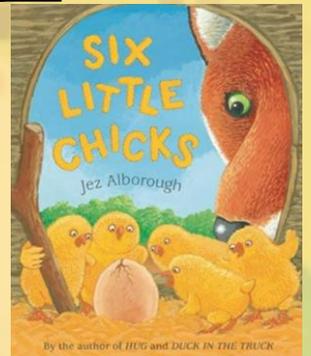

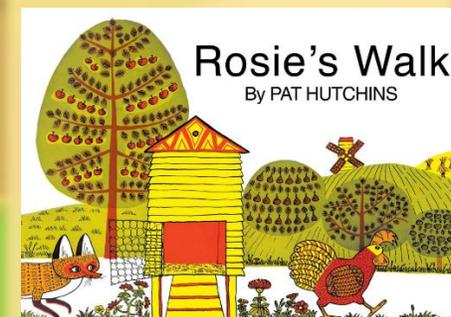

Platinum Jubilee Class: Mrs Gammon & Mrs Hill

Early Years Leader: Miss Waller

Things you could do at home:

- Talk about your favourite animals. What do they eat? Where do they live?
- Read stories about animals
- Find the numbers 4, 5 and 6 in the environment

We will be reading...
