

Birds of Prey visit us!

To help enrich our topic of '**Predators**' we invited the English School of Falconry to visit us at school.

Shauna bought a Barn Owl, a Kestrel, a Scops Owl and a Harris Hawk.

We were all able to hold the Scops Owl!

We were able to tell Shauna what we knew about birds of prey. She then taught us lots more facts.

We had a fantastic morning and can't wait until our next WOW Day!
