The concert is followed by our Christmas party, which is for all of the children in Silver Class. No afternoon session.

Now the weather is colder, please can you support your child to independently put on their coat.

Please ensure all children wear trainers or plimsolls on Fridays, as we go into the school hall where we practise physical skills such as catching, kicking, hopping & skipping. This promotes sharing & taking turns as well as working together as a group, improving listening skills and following instructions.

This term the children will be bringing a reading book home to share with you. Sometimes the books may not have any words but your child can talk about the pictures or make up a story to develop their language. Please bring the reading book back every Friday and your child will be able to choose a new one.
