

Useful Websites, Years 5 and 6

Year 5

5 - A - Day

The weblink below lists a daily page of maths activities for you to complete. As a Year 5 pupil you should tackle the 'bronze' or 'silver' options.

<https://corbettmathsprimary.com/5-a-day/>

BBC Bitesize (KS2)

The weblink below takes you to the BBC Bitesize webpage which provides guides, tasks and quick mini-tests on each area of mathematics. Scroll towards the bottom of the page.

<https://www.bbc.co.uk/bitesize/subjects/z826n39>

TTRockstars

The weblink below takes you to our school times tables learning platform. All children have a username and password which allows them access to their times tables, challenges and specific school competitions.

<https://trockstars.com/>

Mathletics

The weblink below takes you to our schools Maths learning platform. Some mathematical work may be set via this weblink. It will allow your child to access their assigned tasks, as well as game options for them to enjoy learning and developing their maths skills. Please note all children have a username and password which will be needed to access the website.

<https://www.mathletics.com/uk/>

Accelerated Reader

The weblink below should be used once your child has completed reading their chosen reading book. Here they can complete a quiz on the book which will help towards achieving their reading targets as well as their daily reading time. Please note all children have a username and password which will be needed to access the website.
