KS2- Year 6- Spring 2- Curriculum Map

Dear Parents and Carers,

As we begin our second Spring half term in year 6, we would like to share with you what we will be covering over the coming weeks in our final preparation for SATs. We will be making changes to our timetable and the children will be working in smaller groups with a focus on:

Maths- We will be recapping particular areas and continuing to cover new concepts. We will begin our day by developing our arithmetic skills and then moving onto SATs reasoning questions, developing strategies to enable us to answer problem solving questions.

To continue to support this learning at home, your child can use:

Arithmagicians: <https://arithmagicians.com/>

SATs Boot Camp: <https://www.yearsix.co.uk/sats-boot-camp/>

TTRockstars: <https://trockstars.com/>

Reading- We will be using a range of comprehension questions and previous SATs questions to support the children to answer a range of different style of questions. Continuing to read as frequently as possible at home will also support your child to increase their reading age in preparation for high school.

Spelling, punctuation and grammar- We will use previous SATs questions to help us revise for the spelling, punctuation and grammar paper, as well as using Rollama.

This can also be accessed at home via: <https://rollama.com/login/>

English- We will finish writing our non-chronological reports about an innovated creature of our imagining and then write a narrative which includes dialogue. We will focus on how to consider how authors have developed characters, distinguish between the language of speech and writing and learn how to integrate dialogue within a narrative. We will learn to select appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning, as well as integrating dialogue to convey character and advance the action. The children will then assess the effectiveness of their own and others' writing and proof-read for spelling and punctuation errors.

PE days: Children are to come into school wearing their PE kit on their PE days. In Year 6, our PE days will be:

Indoor PE: Monday

Outdoor PE: Wednesday

Homework:

English/maths: The children have a CGP targeted English and Maths work book set on a Friday and due the following Wednesday.

Spellings: Spellings will be given out on a Friday to be learnt and then tested the following Thursday. The children will bring their spellings home in a yellow spelling book, where you will be able to see their spelling score and any highlighted spellings they may need to work on.

Reading: Please ensure children are reading at least 3 times a week at home and their reading records kept up to date. Reading records will be checked every Friday.

TTRockstars, SATs Boot Camp, Arithmagicians and Rollama- as regularly as possible.
